Join top Marriage Champions from around the country for a **5 part marriage enrichment and renewal series.**

During this time of social isolation, our Domestic Church is in even greater need of relationship with God and others. This is our time as married couples to shine and be the light to those in our homes and communities. Register today and let your marriage BE LIGHT!

Together we will explore various topics including belonging, expectations, the need for community, couples works of mercy and living as missionary disciples. We will dive deep into catechesis, marriage formation and evangelization as we grow closer to our beloved and in relationship with God. This series is designed to meet the needs of couples who want to use the challenge of social distancing to grow closer to each other and build relationships with other couples.

Each date night will include a video from a dynamic couple, reflection questions and recommended resources. The feel will be a combination of date night/parish mission/retreat/small group. You are encouraged to work through the series at your own pace- nightly, weekly or monthly date nights as a couple or in small groups. Take this time to renew your marriage and build new relationships with other couples!
